Dear Sir!

According to your instructions
I beg to hand you invoice
for 76. ⁰²/₃ and I am sorry
that I have troubled you
with this small matter. I
did not know what to do with
the nickel and I did not expect
any payment.

If the Mint wants a large
supply of the nickel which I
sold you two months ago, I
believe that the metal could
be furnished at 80 cts. p. lb.

I am very respectfully
Yrs. Aufermann.
